

Self-Employment Services

Are you thinking about starting your own business or being an entrepreneur? There is much to consider. Both the would-be business owner and the people in his/her life who provide support and guidance must be well informed. The following is a list of places that can give you the help you need! Whether you need help writing a business plan or finding start-up monies, agencies listed below are there to get you on your way. While this list is not exhaustive by any means, it will provide you with enough information to begin reaching out for help to develop and implement your business ideas.

Please use this list, along with the Resource Information list, to begin building your business. Do not place this on a shelf and forget about it. If you are serious about starting your own business, USE THIS LIST! Each service agency listed also shows contact information. You may reach out by telephone or email, but reach out either way.

SELF-EMPLOYMENT RESOURCE SERVICES
