My mom and dad love me.

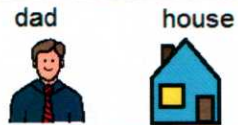

My mom and dad have a hard time getting along. They are divorced.

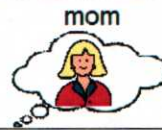

My mom lives in one house.  
Sometimes I live with her.

My dad lives in another house.  
Sometimes I live with him.

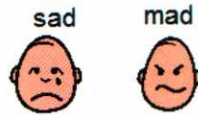

There are times I will miss my mom.

There are times I will miss my dad.

Sometimes I will be sad or mad.  
It is OK to be sad or mad.

I will be happy again soon.
