## 2017 REGIONAL TRAININGS

### **THE TRANSITION IEP:** Ensuring a Quality, Compliant, and Student-Focused Process

Up-to-date information for transition administrators and special educators on:

**Registration information  
coming soon!**

- the transition process;
- the implications of Indiana Vocational Rehabilitation's new Order of Selection rule, the federal Every Student Succeeds Act (ESSA), and Pre-Employment Transition Services; and
- strategies for building local capacity and achieving better transition outcomes for students with Transition IEPs.

Face-to-face trainings will include a general overview session plus special breakout sessions for new-to-transition staff and for transition veterans.
