“Denise Bissonnette is an internationally renowned writer, trainer and keynote speaker.

“For two decades, she has inspired people and organizations throughout North America to look beyond traditional concepts of job and career development and to craft livelihoods rooted in the individual genius of each person. She has authored several publications on creative job development, state of the art job search techniques, the cultivation of the human spirit, and how to ‘shine’ on the job.

“With a style all her own, Denise's work is a rich tapestry of her talents as a poet, writer, storyteller, teacher and career developer.”

CEUs are available for this training.
