Kim shared the handouts she used and some questions that were asked by providers. Sycamore Service’s training will be held in June and conducted by CJ and Jodi or Joyce. All have past Assessment Team/AEPS experience. Collaborating for Kids’ training will be held on 6-17-14 and conducted by Jill & Debra. Both will model after DSI and use same handouts. All will use the same training evaluation form and forms will be scanned to Director after training completed.
