Accurate, up-to-date information about work incentives and state and federal benefits is essential for Indiana Vocational Rehabilitation Services customers and their families. Benefits Information Network (BIN) liaisons are a cadre of Indiana-certified professionals, providing individuals, families and disability service providers around the state with expertise and the basis for better planning and support.

The Center on Community Living and Careers develops and administers BIN Liaison Training in collaboration with the Social Security Administration.

4-Day Basic Training

Only those certified less than 2 years may attend.

October 16-17
November 13-14

Registration Deadline: October 9, 2013

Honeywell Center
275 W. Market Street
Wabash, IN 47401
260-563-1102

Basic training is required for first-time certification or second-year recertification. This training includes four full days of instruction, training exercises, competency tests and a field assignment. All parts of the training are required for certification.

Note: For Basic certification, participants must complete the training with 80% proficiency in order to be certified. Certification valid for Indiana.

Registration fee: $230 Fee covers all trainings and materials. Lunch is on your own.

Candidates for competency-based BIN training:

- are familiar with supported employment services
- enjoy networking
- are adept at information gathering
- are able to implement and track benefits information
- can provide support services to VRS customers throughout the next year.

Continuing Education Units (CEUs) will be available for this Basic BIN training.
