Understanding the Transition IEP Process: Ensuring Quality & Compliance

Who Should Attend: Education personnel overseeing the quality and compliance of Transition IEPs in local school districts and/or cooperatives—special education directors, assistant directors, coordinators, transition coordinators, department chairs and teachers.

These regional trainings will:
1. Provide information on the Transition process, including the latest legislation impacting post-school outcomes,
2. Provide resources for districts who have teachers new to transition planning, and
3. Highlight common issues emerging across the state about the quality and compliance of Transition IEPs as well as the need to build local capacity.

Priority will be given, specifically, to those districts in the Proactive Group—the group submitting data for Federal reporting in 2017 based on the 2016-2017 Transition IEPs. This is Group 3 in the IDOE monitoring rotation. All other districts wanting to improve their Transition IEPs are welcome and encouraged to attend.

Participants should bring hardcopy Transition IEPs or a laptop/tablet so they can access a few Transition IEPs to review. Wifi will be available.

New Webinar Participation Option
This year we’ve added an online option (condensed version) for those districts that may find it challenging to attend a face-to-face training.

October 10, 2016
1-2:30 p.m. (Eastern Time)
No registration required.
To join the webinar, please visit: https://connect.iu.edu/r7ek99x7twg/

Register Now
Participants may attend any of the in-person trainings listed. You do not necessarily need to attend the training closest to you.

To register, click on the link here or copy this web address to your browser.
