Transition Assessment – Student (and Parent) Interview Form

Student Name: ____________________________ Date Completed/Revised: ____________________________

In Indiana at the age of 14, we begin discussing your (child’s) goals for the future. This transition assessment is designed to help you with setting your goals for after high school and for the development of your Transition IEP. We want to ensure we are teaching the necessary skills, providing you with the needed classes, and identifying resources which will help you in your future.

1. What kind of education/training do you see yourself doing after graduation? (Check all that apply)
This information may help you with setting your post-secondary education/training goal.

- University/College (4 yr)  - Military Service
- Community College (2 yr)  - On-the-Job Training (at current or future job)
- Technical/Vocational School  - Training in a center based day program
- Connect with Vocational Rehabilitation or adult service provider for training to get and/or keep a job
- Other ____________________________

2. What kind of employment/work do you see yourself doing after graduation?
This information may help you with setting your post-secondary employment goal.

- Full time work while in college  - Full time employment in area of interest after college
- Part time work while in college  - Part time employment in area of interest after college
- Full-time work - no support  - Full-time supported employment
