Skills Environment Checklist
Did you know that assessing students' social skills can be used as part of the independent living skills evidence for the Transition IEP?
Did you know that better social skills help students succeed personally and academically?
Are you looking for an easy assessment to determine student's social skills in both the school and community settings?

Here is an easy checklist to describe the student's skills as they relate to the various environments. Areas not checked can be used to focus on goals, services and activities for the upcoming year to assist the student in being successful in their postsecondary environment.
