Do you work with students who are Blind or Visually Impaired?
Do you want an online resource for helping students learn about careers?
Do you want to connect your students to career mentors?

The American Foundation for the Blind has a website called Career Connect for Job Seekers [http://www.afb.org/Section.asp?SectionID=7](http://www.afb.org/Section.asp?SectionID=7). Included in this website is a toolkit for jobseekers, tips on how to explore careers, look for a job and maintain a job once hired. Students can also search for and work with mentors as they explore the world of work.
