Are you confused by what an age-appropriate Transition Assessment means?
Do you often wonder “when”, “why” and “how” to conduct a transition assessment?
Do you know how to gather the data, summarize the findings and incorporate the information into the Transition IEP?

Click on the link to the Transition Assessment module [http://breeze.iu.edu/transitionassessment](http://breeze.iu.edu/transitionassessment). This 1-hour module is the “how to” part of the Transition Assessment Resource Guide (we hope that each middle school and high school have a resource guide to use and copy—if not, please contact us). This module is intended to assist school personnel and families in understanding the transition assessment process, how to incorporate the information into the Transition IEP, and ensure your Transition IEP is compliant.

When you complete this module you will be offered 1 Professional Growth Point.
