Senior Exit Transition Summary/Review

Preface: Last year at your case conference you were interested in having a job as __________________________ and furthering education/training by _________________________.

During this year, you informed that direction/decision by _________ __________________________

_______ (transition activity/service).

Summarize the service or activity you completed:

What did you learn about yourself and your goals this year?

Have your postsecondary goals changed? If so, why or why not?

Are your plans influenced by your graduation path? Why or why not?

What supports or experiences do you feel you still need to meet your long term goals?
