| The baby will cry very loudly a lot.  
This may hurt my ears or make me upset.  
Mommy or daddy will need to help the baby.  
I can cover my ears with my hands, go to a different room or  
play with my favorite toys until the baby is quiet. |

| Mommy or daddy will need to change the baby’s diaper.  
Sometimes diapers smell really bad.  
It is ok, I can cover my nose with my hand.  
Then it will not smell so bad. |

| The baby will sleep.  
When the baby sleeps, I will be quiet.  
When the baby sleeps mommy or daddy can play with me.  
I will have fun! |

| The new baby will be hungry!  
Mommy or daddy will feed the baby milk many  
times in the day.  
I can sit next to mommy or daddy and the baby or  
play with my toys. |
