Jim is my bus driver. He usually drives me to school and takes me home. Sometimes he may be sick or unable to drive the bus. It is alright. I will have another bus driver.

He or she will know where my house is and can pick me up and take me to school and take me home after school.
The bus driver may go a different way than Jim does. It is alright. If they need directions, they can call the school on the radio. They will take me where I need to go.
