Fall Break

Fall Break is in October.

Fall break is on: ________________

There is no school on Fall Break because Fall Break is a vacation and a time to rest or play. Fall break is a change in schedule.

Fall break is a long weekend and people like to do fun activities like trips or parties. People enjoy extra rest time.

Some families go on a trip or some families stay home. I can ask my mom or my dad what we are going to do. They will tell me where we are going and what we plan to do.
