Fall Break

Most of the time I go to school during the week. I go to school on Mondays, Tuesdays, Wednesdays, Thursdays, and Fridays. Those days are called weekdays.

I don’t usually go to school on Saturdays or Sundays. Those days are called weekends.

I do not go to school on weekends unless there is a special event.

Sometimes, I do not have school when there is a holiday or vacation. I do not have school on Fall Break. Fall Break is in October.

Fall Break is a special time to rest and play. Some people rest at home. Some people take a vacation. Some families will spend time together on Fall Break.

I can look at my school calendar to remember the days that I do
not have school. I will not have school during Fall Break. I will come back to school on a Monday. My friends and my teacher will be happy to see me.
