Indiana Resource Center for Autism (IRCA) Training, Coaching, Program Evaluation and Consultation Options 2016-2017

Customize professional development options based on your needs and resources...

In a time of limited resources and increased expectations, we understand that you need to be able to customize a range of services to meet your specific needs. Our ultimate goal is to work in collaboration with agencies, schools and/or districts to build local capacity and to create sustainable and positive change through a combination of coaching, training, and consultation strategies. Regardless of the option chosen, all practices taught or coached reflect evidence-based practices (EBP). All options integrate well with other initiatives, such as Response to Intervention (RTI), Multi-Tiered System of Support (MTSS) and Positive Behavior Support (PBIS).

- **IRCA 6-Day Team Training:** Choose teams of individuals from your agency, school district or cooperative to participate in 6 days of training in Bloomington, IN
  - Team includes 4-6 individuals + 1 parent from your district
  - Participants earn professional growth points PGPs and various CEUs
  - Training reflects evidence-based strategies and effective practices in autism spectrum disorders.
  - **Cost:** $1,300 per team

- **Local and Regional Workshops or In-services**
  - Work with IRCA staff to personalize topics. Potential topics include: Using the Ziggurat and CAPS Model; Puberty; Hygiene; Relationships and Sexual Health; Teaching Highly Verbal Individuals with ASD or Social Differences; Structured TEACCH®ing Strategies; Social Skill and Pragmatic Assessment; Implementing Evidence-Based Practices and School-Wide Impact; Functional Behavior Assessment; Technology-Assisted Interventions; Visual Supports; Communication; Applied Behavior Analysis (ABA); Dealing with Challenging Behaviors; Video Self-Modeling; Daily Living Skills; and many others.
  - **Cost:** $1,300 per day; $900 for 4 hours or under

- **Evidence-Based Practice Project**
  - For this level of service, an IRCA staff person is assigned to your district for a set number of days during the school year, following a phone consult to discuss logistics. Specific goals and associated outcomes will be collaboratively outlined.
  - **Cost:** $10,000 fee for a new school or $7,500 for consecutive years. This covers 9 visits.
  - **Cost:** $5,000 fee for a new school or $3,750 for consecutive years. This covers 5 visits.
  - **Cost:** $3,000 fee for a new school or $2,250 for consecutive years. This covers 3 visits.
- **Individual-Specific Consultations**
  - An IRCA staff person will come to your district, agency, or home to observe an individual to provide recommendations and strategies related to behavioral or learning challenges.
  - Recommendations are shared via a report following the visit and observation.
  - **Cost: $750 for initial visit; $500 for subsequent visits**

- **APERS Assessment using Autism Program Environmental Rating Scale**
  - Assess strengths and challenges within your school environment with a report detailing recommendations for which evidence-based strategies should be prioritized.
  - Training with autism consultant in how to use the APERS so that they can then apply this tool to other classrooms.
  - **Cost: $1,200 per day**

- **Classroom or Program Consultations/Evaluations**
  - An IRCA staff person will observe your agency or program to provide recommendations and strategies.
  - Recommendations are shared via a report following the observation.
  - **Cost: $750 for initial visit; $500 for subsequent visits**

- **IRCA Online Workshops**
  - 16 modules presented with mini-lectures, discussion threads, and resources on a range of topics related to ASD.
  - **Cost: 16 Professional Growth Points available at $50 for each module**

- **Autism Consultant Coaching**: Individual coaching and consultation for district and cooperative autism leaders/consultants.
  - Coaching strategies include: how to problem-solve difficult situations through reflective conversation, how to use a partnership approach with staff to improve programs and instruction, how to support teachers in implementing evidence-based practices, how to train staff about practical strategies to use in the classroom environment, and how to support parents and families.
  - **Cost: $750 per day for 1-5 visits; $3,600 for 6 visits; additional pricing to be negotiated**

- **Structured TEACCH©ing**: Individual or team coaching to implement the evidence-based practice of structured teaching as created by the TEACCH© Autism Program ([www.teacch.com](http://www.teacch.com)).
  - Coaching provided by Catherine Davies, TEACCH© Certified Advanced Consultant
  - **Cost: $1,300 per day for training; $750 per day for coaching**

- **Coaching**: Choose from IRCA training topics
  - Training will be provided for 1-2 days, followed by individual or team coaching to implement strategies and practices from training.
  - **Initial Workshop Fee: $1,300 for 1 day or $2,000 for two days**
