Memorial Day

Most of the time I go to school during the week.
I go to school on Mondays, Tuesdays, Wednesdays, Thursdays, and Fridays.
Those days are called weekdays.
I don't usually go to school on Saturdays or Sundays.
Those days are called weekends.
I do not go to school on weekends unless there is a special event.

Sometimes I do not have school when there is a holiday or vacation day.
I do not have school on Memorial Day, which is a Monday.
Memorial Day is a holiday from school and work.
We remember important people on Memorial Day,
like family and friends and people who have served our country in the military.

I can look at my calendar or ask my teacher or parent if I don't know if I have school.
After Memorial Day, I only have school for a few more weeks.
Then, I will have summer break.
