My Mom is a Soldier

My Mom is a soldier.
She has a very important job.

Sometimes doing her job means she has to go away from home.

Sometimes she is gone for a few days.
Sometimes she is gone for months.

I miss her when she is gone.

Sometimes I get sad when Mom has to leave. That is ok.
My Mom is a Soldier

Mom is sad to leave me too.  
It is ok to be sad.

Sometimes I get mad when Mom goes away because I want her to play with me.

That is ok. When I get sad or angry, I can try to write mom a letter or draw her a picture.

That will help me remember mom and feel like she is closer to home.

That will make me feel better.
My Mom is a Soldier

I know Mom loves me even when she is not here.

I know Dad loves me too.

I will try to be brave when Mom is not here.

I will look forward to Mom coming home.
