New Year's Eve and New Year's Day

During Winter Break, we will celebrate the holidays. We will celebrate New Year's Eve and New Year's Day.

New Year's Eve is usually celebrated the night before the new year. This is always on December 31st.

New Year's Eve is the last day of the year. New Year's Day is the next day.

New Year's Day is the first day of the new year. This is always on January 1st.

Some people have a party on New Year's Eve. Some people stay home and watch TV.

Some people watch the "ball drop" and count down to a new year. "10, 9, 8, 7, 6, 5, 4, 3, 2, 1!"

"Happy New Year!" Some people make a lot of noise and celebrate.
People like the New Year, because they like to think about what they wish for.

People like the New Year, because they are happy and hopeful about the future and what is next.

The New Year is a chance to remember last year too.

A new year means that there are more birthdays and celebrations to come.

After New Year's Day, we have a few more days of Winter Break before school starts again. We can look at the calendar to see when school starts.

New Year's Eve and New Year's Day are a time to celebrate and have fun!
