In the winter it may snow or there may be ice. If it is unsafe or difficult for cars and buses to drive, my school may close for the whole day. When this happens it is called a **snow day**.
People expect a few snow days in the winter. On these days, people usually stay home and relax inside or play outside in the snow.

If it is difficult for cars and buses to drive, my school may start 2 hours later than normal. This is called a 2 hour delay.
When there is a two hour delay, it gives the snow plows time to clear the streets. It also gives the custodians time to clear the sidewalks at the school so that everyone is safe.
A 2 hour delay means I arrive at school later in the morning and my schedule will be a little different. On these days, I will check my schedule and follow whatever it says to do.
People expect a few days each winter when there will be a 2 hour delay. My parents will watch the local news to learn about the weather and school delays.
