Upcoming Workshops

Free Parent Group Meetings
The Indiana Resource Center for Autism staff will present information to parent support groups across Indiana. A list of the scheduled meetings for 2015-16 along with information about topics, locations, times, and dates is available at http://www.iidc.indiana.edu/pages/parent-group-meetings

Executive Function, April 11, 2016
Lawrence Education and Community Center, 6501 Sunnyside Road, Indianapolis, IN 46236
Presenter: Brenda Smith Myles, Ph.D.
Cost: $90 regular rate; special $50 rate for those designated as Autism Leaders by their Indiana School district
Overview: Deficits in executive functioning mean students struggle with planning, being organized, following multi-step directions, time management, combining information from several sources to problem solve, and their working memory, among other things. The multiple aspects of executive function challenges that impact home, school, community, and employment will be described with examples that relate to each of these environments. In addition, the speaker will describe evidence-based interventions and supports that can be implemented to help individuals on the spectrum develop and use the diverse skills known as executive function. See more at: http://www.iidc.indiana.edu/pages/executive-function-workshop

Lawrence Education and Community Center, 6501 Sunnyside Road, Indianapolis, IN 46236
Presenter: Pam DiLavore, Ph.D.
Cost: $380
Overview: This workshop will provide a unique opportunity to learn directly from a co-author of the ADOS-2. The five modules of the ADOS-2 will be outlined. Included will be video demonstrations of some of the modules. There will be an opportunity to practice and discuss the scoring criteria. The clinical use of the ADOS-2 will also be discussed. See more at: http://www.iidc.indiana.edu/pages/ados-2

TEACCH® Five-Day Classroom Training: Set Up, June 13 – 17, 2016
RISE Learning Center, 5391 Shelby Street, Indianapolis, IN 46227
Presenters: Lee M. Marcus, Ph.D., Interim Training Director, TEACCH® Autism program, University of North Carolina; Catherine Davies, M.Ed., M.Sc., LMHC, TEACCH® Certified Advanced Consultant; and other TEACCH® Autism Specialists.
Cost: $1,990
Overview: This dynamic five-day training centers on the learning styles of individuals with Autism Spectrum Disorder (ASD) and how to use structured teaching strategies that capitalize on learning strengths. Participants receive both a theoretical understanding and hands-on experiences working collaboratively with the TEACCH® training team to set up a classroom where they will observe and work directly with school-age students with ASD. See more at: http://www.iidc.indiana.edu/pages/teacch-5-day-classroom-training

Online Course

Autism Modules on Evidence Based Practices: Part 1
Instructor: Melissa Dubie, Educational Consultant, Indiana Resource Center for Autism
Cost: $50
Overview: This online course presents the history, diagnosis, prevalence and etiology of autism spectrum disorders, and introduces the strategies of 24 evidence-based practices. There are 8 modules consisting PowerPoint presentations and reading materials. A module is worth 2 hours of training; completion of the course is equal to 16 instructional hours. The course can be completed at your own pace. You can start and finish during the timeline that works best for your schedule. See more at: http://www.iidc.indiana.edu/index.php?pageId=3509

Accommodations
The Indiana Institute on Disability and Community is committed to providing equal access to these events for all participants. If you have questions about accessibility, or have a request for alternative formats or other accommodations, please contact Lisa Bidwell (lbidwell@indiana.edu) at 812-855-6481 with your request at least three weeks in advance of the event.
