

Valentine's Day

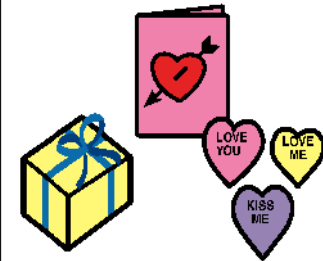

Valentine's Day is a holiday celebrated every year on February 14th. It is a day to celebrate love and friendship.

Valentine's Day

On Valentine's Day, people sometimes give each other gifts or cards or candy. Sometimes people wear red clothes or hearts on their clothes. Valentine's Day is a holiday to be loving and nice to other people. Valentine's Day can be a fun day.

Valentine's Gifts

My class will have a Valentine's Day party. We will share a snack and make Valentine's cards for each other. My teacher will give us a list of names to make Valentine's Day cards. I try to remember to make a card for everyone so that they are happy. Everyone in my class should get a card.

Valentine's Party

It is nice to make a card for every person in my class even if I do not like them. I use my manners and give a card to everyone. I remember to say only nice things to my friends. Telling someone that I like them is okay.

If I do not like someone, I remember that is my secret.

I think it but don't say it. I keep my thought a secret.

My teacher and class will be happy to get Valentine's cards.

Valentines for everyone
