Sometimes the schedule changes and we do not go to school, like on a weekend or when there is a holiday.

We do not have school during Winter Break. Some people celebrate Christmas or other holidays, like Kwanza or Hanukkah, during Winter Break.

We can know that we do not go to school during Winter Break by looking at the calendar.

We do not have school on the days that say "no school."

We will go back to school after break. We can look at the calendar to see what day we go back to school.

Our teachers and friends will be happy to see us again!
